

"Our daughter came home from her first week of camp and said, "I love camp! I don't want to go to 1st grade...I want to stay in camp forever!"

"It was our son's first summer with Camp JCC. He couldn't get enough and is already asking for us to sign him up for Summer 2014."

"The swimming program instilled great confidence in my daughter so much so that she's announced she's going to be the best swimmer in the family.

My children's confidence in trying new things is a true testimony to the atmosphere at Camp JCC. Each morning, they woke up asking if today was a camp day.

I felt totally confident that he was in a safe, fun, and educational environment and was well-cared for at every turn.

Where kids enhance their self-esteem, build Jewish Identity and have fun in every way!

THE CAMP JCC APPROACH

Every day at Camp JCC is packed full of activities, friendship, *ruach* (spirit) and adventure. While our campers rave that Camp JCC is “the best place ever” we know that spending a summer at Camp JCC provides opportunities to gain valuable skills. When campers earn their deep water bracelets, we know they are improving their swim skills while also increasing their self-esteem and confidence. When they try to cross the zip line for the first time, we know they are learning to take risks and make decisions for themselves. Camp JCC provides programs that bring out the best in every camper and grow their abilities (aka - super-powers) that they will use for the rest of their lives.

Exciting camp themes are followed throughout the summer to allow your child to explore Jewish values and culture. All of this enables our campers to connect their camp experience to their growing Jewish identity.

Choosing Camp JCC offers your child opportunities to build a strong Jewish identity, foster lasting friendships and create memories that last a lifetime.
