THE CAMP JCC APPROACH

Every day at Camp JCC is packed full of activities, friendship, *ruach* (spirit) and adventure. While our campers rave that Camp JCC is "the best place ever" we know that spending a summer at Camp JCC provides opportunities to gain valuable skills. When campers earn their deep water bracelets, we know they are improving their swim skills while also increasing their self-esteem and confidence. When they try to cross the zip line for the first time, we know they are learning to take risks and make decisions for themselves. Camp JCC provides programs that bring out the best in every camper and grow their abilities that they will use for the rest of their lives.

"Camp JCC goes above and beyond...This is the place where childhood memories are created."

"My son had another amazing summer at Camp JCC!

We will definitely be back next summer!"
