**JEWISH COMMUNITY CENTER OF GREATER WASHINGTON**

The Jewish Community Center of Greater Washington is hiring Swim Instructors for our summer day camp program. Swim Instructors are needed in the mornings, Monday – Friday. The camp season is from June 17 through August 16 and candidates must be able to work the entire season. Campers are 4 years of age and up. Prior experience in teaching swim lessons is a plus, but we can train someone who is a good swimmer and is effective in working with children.

We intend to provide our campers with a positive, enthusiastic environment lead by creative and flexible staff. Position responsibilities include, teaching fun, safe and effective swim lessons to children.
