[To apply for a position at Camp JCC, please click through to the online application](#)

- Senior Counselors – Actively supervise and engage campers in Camp JCC general and specialty camp programs serving ages 4 through 11. Will lead a camp group of camper and staff as well as give direction to Junior Counselors in the group. Must have completed your freshman year (age 18) of college (High School grads with significant camp counselor experience will be considered), and have experience working with children to apply. Excellent training provided! 8 week commitment is required – June 15-August 7.
- Junior Counselors - Actively supervise and engage campers in Camp JCC general and specialty camp programs serving ages 4 through 11. Must have completed your sophomore year in High School (age 16) or above to apply. Excellent training provided! 8 week commitment is required – June 15-August 7.
- Inclusion Counselors - Work one-on-one in camp groups with campers with a wide range of disabilities. Must have completed your sophomore year in High School (age 16) or above to apply. These positions provide extraordinary experiences for individuals interested in gaining experiences working with children with disabilities or in special education. Additional training is provided. 8 week commitment is required – June 15-August 7.
- Swim Instructors – Work in small swim groups teaching children how to swim. Must have completed your sophomore year in High School (age 16) or above to apply. Must have experience teaching or coaching in swim lessons or swim team. This position is part time and is from 8:30 – 12:00 each day. 8 week commitment is required – June 15-August 7.
- Kochavim Counselors - Work one-on-one with teens and young adults ages 12-21 in a self-contained program. Campers have moderate to severe disabilities. Must have completed your sophomore year in High School (age 16) or above to apply. These positions provide extraordinary experiences for individuals interested in gaining experiences working with children with disabilities or in special education. Excellent training is provided and work environment is highly supportive. 8 week commitment is required – June 15-August 7.
