

Lead Teacher (2's classroom) for 2014-2015 School Year

The Jewish Community Center Preschool in Rockville is seeking a lead teacher and assistant teachers for the 2014-2015 school year. Our Reggio-inspired program is full day and year round.

Our faculty is comprised of deep-thinking educators who value high quality early childhood education and lifelong learning. Our teachers work collaboratively to develop the curriculum around the theories and thinking of our students and to integrate Jewish celebrations and values into the culture of our school. We believe that relationships and dialogue are the basis for a rich learning environment, and seek individuals who desire to be engaged in the work of young children in the context of a wonderful community.

We seek individuals with experience in early childhood education or a related field, a degree in ECE or a college degree plus the 90 hour course (or willingness to take the 90 hour course) or equivalent, and forward-thinking, joyous dispositions.
