

Camp JCC Head Nurse

Camp JCC at the Jewish Community Center of Greater Washington is looking for a Head Nurse for our summer day camp program. This Head Nurse will work full time during the summer with pre camp responsibilities including Leadership Meetings, reviewing of camper and staff medical files as well ordering supplies and setting up of the camp health room.

Specific responsibilities and expectations:

- Managing the Health policies and daily procedures at camp
- Supervising the other medical staff at camp
- Reviewing camper and staff files prior to camp
- Presenting orientation for summer camp staff as it relates to Health Care procedures and policies
- Extensive interaction with campers, parents and staff
- Triage, treatment and dispensing of medication

Qualifications include:

- B.S. degree in Nursing with a current Maryland State License
- Minimum of two years supervisory experience.
- Camp environment experience is helpful but not exclusionary. Must LOVE working with children and teens and be an exceptional communicator with a positive and upbeat personality.
- Experience working with children with disabilities

Competitive salary including summer membership to the JCCGW is included.

Applicants should have experience in a leadership position at a comparably sized day or overnight camp, school or other youth program.

To apply send your resume and cover letter to jobs@jccgw.org.
