

**JCCGW Preschool  
2016-2017 Friend Request Form**

At the JCCGW Preschool, we always strive to act in the best interest of all of our children and families. At the same time, we understand that parents want to have some input into their child’s school placement. In order to best meet everyone’s needs and to standardize this process, this request form will be the only way to make a friend request. For a request to be considered, the following conditions must be met:

- Complete Friend Request Form received no later by April 13, 2016.
- You may only request ONE FRIEND. Requesting multiple children will invalidate the request.
- The request must be mutual; the friend you request must also put in a request for your child.

Should these conditions be met, the request will be given every possible consideration; however, we do not guarantee the granting of any request. Requests are more often considered when each friend puts in a request for the other.

Please also remember that we will not accept requests for a particular teacher. Please know that our intention is to create a classroom community that will best match the needs of your child.

Thank you for your understanding and cooperation.

B'Shalom,

Ora Cohen Rosenfeld
